"The family was undivided at the time of Chinnagarangingar's death & is so even now. There has been no partition between the brothers. The alleged will was not executed by my late brother Chinnagarangingar because he was on amicable terms with his brothers." Re the land, he states as follows:

45. We have first the fact that the documentary evidence shows that the properties were becoming separately enjoyed by him, the Khata of the lands in question was in his name & the Kandayan was also paid in his name. Secondly we have the fact that after his death the Khata was made out in the name of his wife Mrs Bhagyeratemma. It is not likely that the testator's brothers who have now been urging their claims would have kept quiet at the time of the transfer of the Khata if in fact they were entitled to the lands by right of kinship. Thirdly we have the fact

the widow dealt with the lands as owner in possession by leasing them for 5 years to a tenant & herself the Kandayam herself.

46. Moreover all these circumstances, which strongly & notably the above view, we have the most important piece of evidence afforded by the registered deed of sale dated 1st April 1895 under which Mr B. Veeraraghavachar has sold his half share in S.Nos 318, 319 and 320 to the deceased testator himself. If as a matter of fact the brothers were undivided how a transaction would be inconceivable.

47. The present claim appears to be an afterthought.

48. I am therefore of opinion that the deceased (Mr Chenna Gowda Iyengar) was the absolute owner of the lands in question and was entitled to dispose of the same by will.

Sir,

Re: B. Channagaruda Iyengar, Melkote Endowment
G. O. No. 424-6/Muz 734-18-2 dated 2-8-1919.

---o---

In continuation of my last letter dated 8-9-1919 conveying their deep sense of gratitude and thanks of the legatees B. Venkatachar and B. Narayana Iyengar by his guardian mother Ammaiahamma in the will of the above donor B. Channagaruda Iyengar to the Government for graciously accepting the above endowment b I on behalf of the above legatees who are interested in the above endowment, have much pleasure in writing to you as -- - follows.

On making local inquiries here in what stage the administration of the above endowment stood, I learn that Government wanted some particulars about the above endowment property situated in Seringapatam Taluk and I beg to submit the following facts for the information of the Government and I shall be glad to give any further particulars about the property which the legatees may be in a position to furnish.

(1) The endowment lands had been purchased by the

donor B. Channagaruda Iyengar himself under a registe sale deed executed on 16-4-1888 and registered as No. 131 in Book I vol. No. 65 pages 342 to 345 in the Serin patam Sub Registrar's office on 9/11-5-1888 by the Vendors Venktiengar and his three sons in favour of the donor B. Channagaruda Iyengar.

(2) The khata patta of the above lands was transfeyred to the purchaser's name B. Channagaruda Iyengar soon after the sale during the official year 1889-1890.

(3) The donor was himself paying the kandayam of the lands from the dated of his purchase upto the time of his death in 1911 and he was receiving the produce of the lands as per one of the registered gutta deeds executed by the donor's tenent in favour of the donor and registered in the Seringapatam Sub Registrar's office as No. 791 Book I vol. 215 pages 108 to 111 on 3-2-1910.

(4) After the donor's death the kandayam of the above lands was being paid by his widow Bhagiratamma and the produce enjoyed by her till her death as per her husband's will and the khata of these lands transferred to her name vide Patta No. 38 granted to her by the Seringapatam Taluk office on 25/28-1-1914.

(5) The khata patta of the above lands was never in the names of the donor's father nor in the names of his step brothers as will be apparent from the records referred to above.

(6) So far as the legatee's mother's information goes the donor, his father and his step brothers never lived together since the purchase of the above lands.

(7) Moreover the endowment lands as they were purchased by the donor himself did not at all form part of the ancestral property of the donor and his step brothers which they divided between 1893 and 1895 about which time the donor's father may have died.

(8) Besides there are certain records such as registered sale deed of lands executed by one of the step brothers of the donor in favour of the donor after their partition of their father's property going to show that the brothers were completely separate in estate and property and that the donor had every right and authority to will out his property as per his will of 1902 under which the endowment is created.

In conclusion I beg to submit that I shall be glad to furnish further particulars if necessary and in support of the above endowment. The favour of the receipt of this letter is requested.

He states that though his father executed a will, it related only to the family lands at Hampton and that it does not relate to the lands in question at Seven Pines. He admits that he sold his share of the lands in Hampton to Chesterfield several years ago and executed a recorded deed.

He contends that though the lands at Seven Pines were purchased in the name of Chesterfield they were purchased during his father's life time and that he [illegible]

Commercial Debt, the
presumption is that
the purchase must have been
made out of Joint family funds

He further states
that no partition between him

that the will produced by the

SIR,

With reference to your letter No.2706/Miz.401-19-4 dated 9th February 1922, calling for further information regarding the enhancement of the Sirigerepalya agraharadengar, I have the honour to offer the following reply, replies as regards the Agraharadengars of Sirigerepalya Taluk on the ten points are given below:-

(1) The lands in question are reported to have been granted by Dewan Purnaiya Bahadur on 10-4-1868 from one Kempa Gowda Agraharadengar. A copy of the registered Sale Deed in this behalf obtained from the two Registrar's Office is submitted herewith (Page 4)

(2) [illegible] Agraharadengar's other [illegible] and where [illegible].

(3) [illegible] Agraharadengar [illegible] Amildar's [illegible] (Page 3)

(4) As regards the information as to who were paying kandayam on the said lands from the date of its purchase, the Amildar furnished an extract from the Khirdis available in the Taluk Records (i.e., from 1901-2 to 1918-19) showing the particulars required. (Flag - C) It is clear from the Amildar's report that previous year's Khirdis are not available in the Taluk Records. I have anyhow asked him to trace the information from the Shanbhog's accounts, if any, and submit a report on this point. A further communication will be made in this behalf on hearing from him.

(5) After the death of Channagarudiengar the khata was transferred to the name of his wife Bhagirathamma in the year 1913-14, as per original "Nam-Tabdil" list herewith produced. (Flag D)

(6) As per Khirdi extract submitted (Flag C) it is seen that after the death of Channagarudiengar, his wife Bhagirathamma continued to pay Kandayam on these lands for the years from 1911-12 to 1917-18 with the exception of the year 1914-15 for which period one Narasimha-Iyengar is seen to have paid the kandayam for her. It is also seen therefrom that one Venkatachar paid the kandayam for the year 1918-19.

(7) It is said that from the date of purchase of the lands by Sri. Channagarudiengar, he was himself receiving the produce thereof till his death. No documentary evidence to prove this statement has been received from the Taluk except a copy of a Registered Lease Deed executed by one Dasegowda in favour of Channagarudiengar on 22-1-1910 for a period of five years from the year Chandramana. (Flag E) The fact that after the death of Channagarudiengar his widow was receiving the produce is proved by a copy of Registered Lease Deed executed by one Thimmaraji gowda on 15-2-1915 in favour of Bhagirathamma for a further period of five years after the expiry of the previous lease. (Flag F)

(8) The Amildar reports that there are no refererces to show that Channagarudiengar's father owned any lands at all in Seringapatam Taluk.

(9) There are no lands in the khates of Messrs Veera Raghavachar and Yadavachar in Seringapatam Taluk.

(10) No references are reported to be available in the Taluk to show whether Channagarudiengar - his step brothers and their father were living together or separately, when the lands in question were purchased.

2. The entire file of vernacular records ending with Arcot Rocks Sub Division Officer's report O.R.H.C. 1155 of 19-20 dated 3rd December 1921, is submitted herewith for reference.

The Govt. advocate who was consulted in the matter states that I do admit ~~the~~ his statement to be correct

Order :-

1. ~~The materials available~~ The records before Govt. ~~appear to~~ establish beyond doubt that the testator the late Mr. Chinnagarundiempar was a divided member of the family, or at any rate that his other brothers have no subsisting interest in the properties owned by the testator,

2. ~~The documentary evidence shows~~ that the properties ~~were~~ were being separately enjoyed by him, the Khata of the lands in question having been in his name and the Kandayam ~~was being~~ paid by him, ~~after~~ that on his death, the Khata was made out in the name of his widow Bhagirathammal

~~It is not likely that~~

testator's brothers, who have now been urging their claims, would have kept quiet at the time of the transfer of Khata; if in reality they were entitled to the lands by right of survivorship. Besides, the widow dealt with the lands as owner in possession by leasing them for 5 yrs. to a tenant and paid the Kandayam herself.

More than all the above circumstances, which strongly go to prove that the brothers were ~~do~~ divided, ~~as~~ there is the most important piece of evidence afforded by the registered deed of sale dated 1st April 1895 under which Mr. Veeraraghavachar has sold his half-share in S.Nos. 318, 319 & 320 in Hampapur to the deceased testator himself.

which would not have been allowed by them if they had been entitled to the lands by right of survivorship and that the widow dealt with the lands as owner by leasing them for a period of years & paid the Kandayam herself. ~~He also brings Exhibit~~ the reg. deed of sale dt. 1.4.95 under which Mr. Veeraraghavachar sold his half share in S. Nos. 318, 319 & 320 to the deceased testator, ~~which~~ proves beyond all doubt that the brothers were divided.
